Which statement can best summarize the central idea of the paragraph below?

Learning grammar and a good vocabulary is just like driving with a road map in a well–conditioned car.The road map provides guidance on your trip, but it won't tell you exactly what trees or flowers you will see, what kind of people you will encounter, or what types of feelings you will experience on your journey. Here, the vocabulary makes the journey's true colors come alive! A good vocabulary enables you to enjoy whatever you see as you drive along. Equipped with grammar and a good vocabulary, you have flexibility and excellent control. While the road map guides your journey to your destination, an excellent vehicle helps you to fully enjoy all of the sights, sounds, and experiences along the way.

A

Grammar and a good vocabulary are essential for language learning.

B

A road map and a well–conditioned car are essential for a long journey.

C

The primary goal of language learning is to build a good vocabulary.

D

Focusing on grammar is more important than building vocabulary.
